GENERAL AGENDA ITEMS.

APPROVAL OF THE AGENDA

Moved by Grove, Seconded by Patterson; the Agenda shall be approved.

Roll call: Ayes: All Nays: None. Motion passes: 4-0.

Moved by Patterson Seconded by Evans that Resolution No. 07-0309 stating that the City Council of Grimes, Iowa expressing support for application to the I-Jobs local infrastructure program and commitment of local matching funds as required by program guidelines shall be approved.

Mayor Armstrong asked for any discussion on the motion. Council Member Patterson stated that this project is part of the Capital Improvement Plan (CIP) but not in the top tier of projects. He felt this was a chance to acquire half of the funding for this project and that is why it has his support. Council Member Patterson advised that the money for this project would probably not be allocated until next year if the grant was awarded for this project. Council Member Patterson did remind the Council that at a later date if the Council decided not to support this project, it was still possible to drop this project and reallocate the money. He stated that he felt this was the right thing to do to see if the City could obtain the funds. Council Member Grove stated that he would support Resolution No. 07-0309 but reserved the right to take action against it, if it doesn't work in the CIP.

Roll call: Ayes: All Nays: None. Motion passes: 4-0.
